OUR MISSION:

"To seek out individuals and lead them from where they are to become mature followers of Jesus Christ through worship, discipleship, and fellowship in an environment of Christian love.

The First Baptist Church of Meridianville February 24, 2019

Ten years ago a group of people traveled to Guatemala to look for opportunities where they could "get out of the pew" and minister to others in the name of Jesus Christ, sharing His love and His gospel with them. That was the beginning of Mission Firefly. Since that time, countless trips have been taken to places all over Guatemala and other places in the world including Haiti, Ecuador, and India. Water systems have been installed, medical treatment given, food provided, schools improved, teachers trained, children sponsored, Vacation Bible School conducted, and many other things done in His name throughout these countries and our own communities. Through this journey many new friendships and partnerships have been made which have allowed us to continue the work in places where we aren't always able to be. We know that God has blessed this ministry in many ways and we are grateful to Him! Our prayer is that we will continue to follow His guidance and go where He leads into the future. We pray that many more will join us as we seek to make disciples of all nations. Will you pray with us and join us as we give and go in 2019?!
